## FROZEN GENETICS SALE SUPPORTING YOUTH INITIATIVES

### SALE CONTACTS

STEPHEN CHOLAK..... 780-485-7865  
JOHN TAYLOR..... 780-806-3395  
SCOTT ANDERSON..... 780-787-0358

What an exciting time to be in the cattle business!! The Alberta Charolais Association is pleased to host this exciting new fundraising event to help support our Youth Initiatives!

We were approached by a group of ACA members wanting us to invest more into our Youth Program this fall. The ACA has invested strongly in its youth in the past and this will not change in the future. We still will offer scholarships to deserving youth from Alberta and BC to help further their education. We will continue to offer sales credits to youth members looking to invest in a heifer at our flagship event, the Alberta Select.

We will continue to support our ACYA youth as they prepare to host the CCYA Youth Conference in 2025. We plan to revamp our 4-H Award program and offer those 4-Hers exhibiting Charolais Influence projects a thank you from the Association that we all as breeders can be proud of. The funds raised in this auction will stay within this committee and not be placed into general revenue. With your help we will set this committee up to support the future of the great white breed!

We wish to thank all the consignors for digging so deep into their programs to offer such a diverse and unique set of genetics and to dlms for their continued support and encouragement! Whether you are just starting out in the Charolais breed or an established breeder - there is something in this sale for everyone! Thank you again for your support for this very special project!

**CONGRESS • CANADA**

## **SCHEDULE OF EVENTS:**

### **JULY 1**

AM - HIGHWAY 21 GROUP - HANNA, AB - LIVESTOCK 'GROW SAFE SYSTEMS'

PM - ALBERTA CHAROLAIS ASSOCIATION - STETTLER, AB - AB/BC BREEDERS PEN DISPLAY

### **JULY 2**

PM - HIGHWAY 21 FEEDLOT TOUR

EVENING - CHAROLAIS/CHARBRAY INTERNATIONAL ANNUAL MEETING - CALGARY, AB

### **JULY 3**

PM - MCLEOD LIVESTOCK- COCHRANE, AB - LIVESTOCK DISPLAY & WORLD CONGRESS SALE

## **1 PICK OF STALLING LOCATION**

## **2 SECOND PICK OF STALLING LOCATION**

The World is coming to Canada in 2024!!! If you have not heard, the World Charolais Congress is making its return to Canada in 2024. This tour will stretch across Canada beginning in late June in Eastern Canada and make its way westward. Alberta will be the last stop on the tour and the ACA is pleased to be hosting a showcase of Alberta cattle on July 1 in Stettler, AB!

The ACA will have pens set up at the Stettler Ag Grounds which can be utilized by any BC or Alberta member wanting to showcase their program! This event will replace our very popular Summer Tour for 2024, so in addition to showcasing your program to the world, you will also be showcasing your program to commercial, purebred and Charolais enthusiasts from Alberta and BC as well!

Here are the first two opportunities to secure your pen for this exclusive event! You will have the first opportunity to review the facility layout once it is drawn closer to the event and choose exactly where you want to showcase your program to the World! The key to business success is location, location, location!!!

Don't miss out on this unique opportunity!!!

Estrada was selected as a yearling by two Alberta Charolais Breeders of the Year - Lorne Lakusta and Steve Quinton from the Saunders program in Ontario. He has sired numerous herdsires across the nation and until recently his semen has been limited to 3 operations.

Estrada is a true performance bull who is phenotypically elite and also possesses solid EPDs. He possesses added length of body and depth which adds pounds to his calf crop. He was selected by Highway 21 to incorporate into their operation as well as some highly regarded operations state side. Here is your chance to get in on a proven, highly regarded, reputable herdsire!

Geneva turned alot of heads last spring when the highly anticipated Pleasant Dawn bull sale catalogue arrived in the mail! His lot number was circled by several astute breeders but was eventually selected as the high seller in the sale by Sherwood Farms. Geneva is homo polled, PA Free and is phenotypically a very attractive made herd bull. His pedigree is also unique, combining both the time tested Lanza and Chisum genetics together! His first set of calves this spring look amazing and Scott and Krista are very excited about the future of Geneva in their operation! This is a one time opportunity to acquire these genetics!!!

Game Day made his debut in 2019 at the Alberta Select as part of Legacy Charolais' Pen of 3 Bulls. His structural correctness and disposition were apparent as a calf and gave a glimpse at just what a true breeding bull he would become as he matured. He topped Legacy's 2020 sale, selling to Poplar Bluff Stock Farm. Since that time, Game Day has consistently sired sale topping bulls for both programs. Game Day is homozygous polled, long bodied and his disposition is second to none. He sires progeny with added performance, hair and impeccable foot structure. His daughters are impressive young cows with flawless udders. This will be the only Game Day semen offered for sale this spring - don't miss your opportunity to utilize this proven, performance herd-bull maker! **Homo Polled**

Here is your exclusive chance to utilize the new herdsire from the Sugarloaf and PCC program! Shake the Frost is a unique breeding piece combining the first ever Players Club Champion SOS Apex and an upcoming Rushmore donor from the SLC program. This smooth made herdbull has an impressive first set of calves on the ground and was used successfully on heifers. With breed favorites such as Ledger, Roundup, Rio Bravo and Aquarius all in this herdbulls background you can see why these 2 operations are so excited about the future of this up and comer in the Charolais breed!

Holy Water made his debut at the AB Select in 2020 and caught the eye of more than a few cattlemen in the Johnson Charolais string of bull calves. He returned to the show road in 2021 and captured Champion Bull at both FarmFair International and Agribition. Perhaps even more impressive was Holy Water being selected as a Top 5 Finalist in the Supreme Show at FarmFair and in the top 10 in the Supreme at Agribition. Holy Water ended 2021 by being crowned the 2021 BOSS Show Bull of the Year.

Holy Water is a soft made, attractive herdbull who is very fluid in his movement. Holy Water calves highlighted the Flat Valley bull string at the AB Select this fall and at the 'Simple as Black and White' Bull Sale this spring! Do not miss out on utilizing this National Champion in your program in 2024!

Commissioner is everything you could ask for in a herdsire. He has consistently produced show winning and sale topping progeny in the renowned Kay R program. His progeny are born small, with plenty of vigor - Commissioner boasts a CE Epd of 19.2 which is in the top 1% of the breed. Commissioner progeny are moderate framed, stout and exhibit exceptional soundness. The daughters in production are the kind we all love to have - tight udders, small teats and fantastic mothers. The Commissioner bull calves are the first selected in the bull pen in the fall, as their moderate birthweight, natural muscle and stoutness are desired by commercial breeders. Commissioner semen is not on the open market. Take this opportunity to invest in a proven herdsire who simply produces cattle in demand today!!!

McLeod Livestock is offering something very special for your heifer pen this year! The winning bidder of this lot will receive 5 straws of No Worries, 5 straws of LT Authority and 5 straws of LT Affinity! All three bulls have proven track records and all three are heifer safe. No Worries is a true curve bender - offering a modest birth weight, exceptional performance numbers and a milk epd in the top 1% of the breed! Authority has been noted for his exceptional females, with beautiful udders, marketability, style and class! Affinity is known for for calves with terrific vigor and short gestations. His style and presence is stamped on his progeny! Just imagine how easy it will be calving out those heifers in 2025! With one easy click your heifer semen needs will be covered!

BAR DIAMOND HANK 22M  
**JIL SENSATION 71S**  
 JIL SENSATION 11M

JIL Thunder Roll 69Z is a bull that we purchased early on when we got into the Charolais breed. The influence he has had on our program is tremendous. He's a bull that has continuously rolled out the good ones for us. Thunder himself was stout, sound, deep made and easy fleshing. Thunder sired bulls have always been in our bull sale pen and the Thunder females are outstanding producers. Both heifers and bulls sired by Thunder are successful in the show ring. Thunder was Reserve Champion bull at Farmfair himself. He sired Reserve National Champions on either side of the border in the same year. Thunder also sired ONL Daddy Cool 4C, who was Champion Bull at Farmfair in 2017. Erin Briggs of EMB Charolais purchased one of the first Thunder daughters we sold, ONL Obsession, who has been an excellent producer for Erin. These are just a few of the highlights!

The Thunder daughters have worked outstanding – the majority of our show string the last three years goes back to Thunder daughters, including WGD Ruger 8J. A Thunder sired heifer calf sold at a previous Superstar Sale for \$11,000 to Desertland Cattle. Our senior herd sire is out of a Thunder daughter and has several bulls in this year's sale. Aside from being great quality cattle that really work, the Thunder's have always been really easy to handle. We think very highly of this bull and are grateful for his role in the success of our Charolais program.

Knockin Boots was the highlight of the 2023 Turnbull Bull Sale, where after a spirited bidding war, he was the high seller and was purchased by the powerful R Lazy B Ranch in North Dakota. Knockin Boots possesses that herdbull presence and his first calves this spring look fantastic! Knockin Boots is a long sided, attractive made bull with a curve bending negative birth weight epd and above average performance epds. This semen has never been offered to the public before and might be one of the very last chances you will get to utilize a direct son of MVP!

Here is your **last** chance to incorporate the inaugural Player's Club Champion into your program! Since being crowned Champion, Apex has been a true breed leader siring progeny that excel in both the showing as well in the pasture. Apex has produced several big time herdsires - Kickstart, Timber, Head Master, Pandemic and Thread to name a very select few. Females sired by Apex have become Champions and productive donors in many herds across Canada. Apex has truly left his mark in the Charolais breed and the beef industry. Use these last few straws to flush your favorite donor and incorporate these timeless genetics into your herd!!!

**C&S MS ESTER 716**  
 C&S MS CHENILLE 313

C&S Ms Ester continues to make a name for herself as the lead-off donor at Circle Cee. Originally selected out of the Hankins Farms program from Missouri in the prestigious Fort Worth Sale, Ester has continually produced top quality progeny, regardless to who she has been mated too. Her latest son "Circle Cee Directive 233K" purchased by Sherwood Farms was a feature of the Circle Cee bull pen this fall and has garnered interest from purebred and commercial breeders across Canada. With a picture perfect udder, style and elegance, Ester is a premier donor that you will be hearing a lot more from! Her mating to the 2021 Players Club Champion 'MVY Backdraft' is very special! There are calves on the ground from this mating that look simply amazing this spring!!!

SIRE OF EMBRYOS

Gerrard Evetta 26D was selected by Sugarloaf Charolais in the Gerrard Dispersal where she was a high seller. This powerful daughter of Zeppelin, is a direct daughter of the famed 'Evetta' cow family whose daughters grace the donor pen of several prominent breeders in Canada. She is a prolific embryo producer and her progeny will be the heart of the Sugarloaf program in the near future. Her mating to the outcross WCR Bold Move bull is very exciting and could very well result in your next donor or herdbull! Sugarloaf has a few calves from this mating on the ground already this spring and they are simply incredible!

The famous PZC Lily 5013 ET needs no introduction! This tremendous daughter of Firewater and the great Impressive 0641 donor is not unlike the several full sibs that dominated the showing in the US for several years. Lily swept through the competition in the Canadian Charolais division in 2017 and then became a Supreme Champion at both Farmfair and Agribition. Later that year she was named the Champion of the World! Lily's milking daughters possess her flawless udder, substance and presence - they are simply the right kind! LT Sundance is a homozygous polled son of Ledger that is regaining popularity recently for the depth, thickness and performance he adds to his calf crop. This a very unique mating that could very well be your next donor or herdsire!
